

ABOUT PHCC-IA

The Plumbing - Heating - Cooling Contractors of Iowa association is a professional trade association formed to serve the needs of the plumbing, heating and cooling professionals in the state of Iowa. Membership is open to contractors and to companies who are closely associated with the plumbing-heating-cooling industry. PHCC is dedicated to the promotion, advancement, education and training of the industry, for the protection of our environment and the health, safety, and comfort of society.

PHCC of Iowa works in conjunction with the PHCC National Association to provide our members benefits and tools to help them to work smarter and not harder. Join today to receive all of the benefits of membership, and equip your business to work smarter! For more information about PHCC, go to www.phccia.org.

ABOUT IAPMO

The International Association of Plumbing and Mechanical Officials has been protecting the public's health and safety for more than eighty years by working in concert with government and industry to implement comprehensive plumbing and mechanical systems around the world.

As a membership-based association, IAPMO is proud to utilize an open consensus process in the development of our flagship Uniform Plumbing Code® and Uniform Mechanical Code®. These codes are established through scientific research, debate, and analysis, strengthening our position at the forefront of the plumbing and mechanical industries.

The IAPMO Group is a complete service organization, providing code development assistance, industry-leading education, and a manufacturer-preferred quality assurance program. Each component of the IAPMO Group works toward our ultimate goal of protecting the health of people everywhere. For more information about IAPMO, go to www.iapmo.org.
